BEFORE YOU RIDE

*Range is listed at a 70 kg load and speeds below 35 km/h. Speed, range and charging time vary with load, terrain, riding conditions and charging conditions. These figures are supplied by the manufacturer; they are not independent Beshare test results. For off-road use only where riding is permitted and with the landowner's permission where required. No Australian public-road approval is claimed. Assess fit, control and experience; seat height alone does not establish suitability. Wear appropriate protective equipment.
